# THE NELI EXPERIENCE

NELI's Leadership Summit and Awards Gala is an annual opportunity to salute organizations — and the forward thinking leaders who make them great — for setting a higher standard of leadership in corporate, social, and individual responsibility.

The first half of this two-day experience includes the Executive Leadership Exchange where professionals exchange unfiltered business insight and walk away encouraged to lead high-performance teams and organizations.

The second half is a celebration! The NELI Awards Gala is where we gather to salute America's most admired leaders of the year.

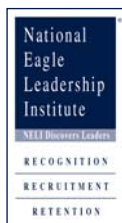

Both days will inspire you to lead well.
